

This is to certify that
Intuity Communications Limited

Unit 2 Devonshire Business Centre, Works Road, Letchworth, SG6 1GJ, Hertfordshire

Has been assessed
by Daniel Carbis for IT Governance Ltd
against the Cyber Essentials Scheme Test Specification

Level of certification: **Cyber Essentials PLUS**

Scope: Internet facing infrastructure for the main office of Intuity Communications Limited, including firewalls, routers, laptops. Located in the UK.

Certification date: May 14th, 2020

Recommended re-assessment date: **May 13th, 2021**

Certificate no.: 0734318699397642

This Certificate confirms that the organisation named was assessed against the Cyber Essentials Requirements dated June 2014, and at the time of testing, the organisation's ICT defences were assessed to meet the Requirements. Cyber Essentials Certification indicates that the organisation has implemented a sensible baseline of organisational cyber security only, and implies no guarantee of effective defence against commodity cyber attacks circumventing this baseline. Organisations are recommended to define and understand the risks to their organisation and take all appropriate action to mitigate or reduce any issues, which may require a greater degree of rigour or technical investment than is required for Cyber Essentials alone.
